

# EMPLOYEE SERVICE RECOGNITION

A Special Message from Steve Goeser, President & CEO, Methodist Health System

It's time to celebrate!

I can't thank you enough for all you do. For all your hard work, for your dedication to the organization and to each other, for the tremendous care you provide to our patients, and for the way you give back to our communities outside of the workday. While COVID-19 has slowed, our hospitals and clinics remain very busy. Your continued commitment to *The Meaning of Care* is not going unnoticed. We value you as employees, and we know that we can't care for our communities without each and every person in this organization doing their best every day. With that said, let's celebrate you and your colleagues for a job well done!

To recognize you for your service to Methodist Health System, you and all Methodist employees are invited to celebrate at receptions in your honor.
