All funds raised from this year's raffle and the golf tournament will go toward the expansion and renovation of the Methodist Hospital Emergency Department, planned to start next year. This significant project will be the first structural remodel for the Emergency Department since 1995. The result will mean more space, less waiting and easier access for patients and their families. It will double the number of patient rooms, increase privacy, add a fast track triage area and include space for victims of sexual assault, domestic violence and sex trafficking. More people are turning to Methodist Hospital for their emergency care than ever before. With 20 percent growth in just five years, the need to expand and renovate is vital.

**Please give your support to this important fundraiser by purchasing raffle tickets.
And, who knows, you may be ONE of only THREE winners of a CASH prize!**
