

Patient Safety Awareness Week

MARCH 12-16, 2018

In collaboration with the Center for Patient Safety, Methodist Jennie Edmundson Hospital has made a commitment to patient safety. Together, we are placing an enhanced focus on patient safety in recognition of Patient Safety Awareness Week, March 12-16, 2018.

Although we are using this week in March to celebrate our patient safety achievements and increase awareness, safe care is our organization's focus, 24-hours a day, 7-days a week, 365-days a year.

Stop by the Lynn Pavilion lobby to see our Patient Safety Poster signed by our Leadership team. We also have fun activities planned throughout the week.

MARCH 12: LIFESAVERS

Be a lifesaver and enjoy some too. Enjoy rewarding each other when you see someone exhibiting good safety precautions.

MARCH 14: HAND HYGIENE

Infection Prevention will be rounding on floors to test those items we sometimes forget to clean – phones, stethoscopes, etc.

MARCH 16: BANANA SLIP PARTY

Slide down to the cafeteria Friday between 3pm and 4pm for a banana split and review of Fall Safety Precautions.

Patient Safety Stickers – Distribute stickers throughout the week to staff and patients. Let our patients know how much we care for them!
