# 2020 Employee Caring Campaign | Patient Transportation Greatest Need: New Medi-Van

As the song goes, “I’ve been everywhere man, I’ve been everywhere...” our Medi-Bus has done its job for a long, long time. Today we invite you to go the extra mile to fund a new Medi-Van so we can continue to provide transportation to medical appointments for seniors and low-income patients. As Methodist Jennie Edmundson employees, we each play a critical role in providing exceptional health care.

We hope you will choose to make a gift – in any amount – to the 2020 Caring Campaign. Your gift is fully tax-deductible and 100% of the donation benefits the program or projects you choose. Thank you for your support!
